And more...

Tennis – we love it and we want you to join us this fall for **fun, fitness and friendship!** We are the members of the Red Deer Tennis Club, a group dedicated to promoting the game of tennis in Central Alberta. We range in age from preschoolers to senior citizens and in ability from basic beginners to accomplished competitors.

We have Central Alberta's first 4 court Indoor Bubble! We are located adjacent to Red Deer's downtown Recreation Centre swimming pool and picnic area (43 St & 48 Ave.) north of the Red Deer Curling Club and kitty corner to the Red Deer Lodge.

You only need a racquet and tennis balls. The club has a small supply of equipment available to beginners – and our pro will be happy to assist you in choosing a suitable racquet. The club pros can also re-string and re-grip your old racquet to fit your playing style.
